Re: Withdrawal of Local Law 19-0312.LL

Dear Mr. Moffitt:

After feedback from the community and a discussion with County Executive-Elect Adam Bello, we have determined the best course of action is to wait until the new year so we may better work together on any amendments to the Charter or Administrative Code. The CABLE Act was intended to increase transparency and accountability in county government, but unfortunately it has resulted in a distraction from many other important issues. Therefore, we find it is better to address these amendments in 2020 and we welcome a healthy and open discussion on these and other important items next year. Therefore, we would like the CABLE Act and all related motions and resolutions to be withdrawn from consideration.

Per Section 545-17A of the Rules of the Monroe County Legislature and with the Authority as President of the Legislature, please withdraw 19-0312.LL the "Checks And Balances for Legislative Equality" Act of 2019 and all related motions and resolutions including the Public Hearing effective immediately.

Please inform the members of the Legislature accordingly. Thank you.

Sincerely,
